DMV Live Scan Fingerprinting Occupational Licensing

What is Live Scan fingerprinting?

Live Scan is inkless electronic fingerprinting. The fingerprints are electronically transmitted to the Department of Justice (DOJ) for completion of a criminal record check.

Who is affected by it?

Anyone applying for the first time to be licensed as a vehicle salesperson, dealer, driving instructor, manufacturer, transporter, dismantler, registration service, distributor, lessor-retailer, remanufacturer, or any other vehicle industry relating to an occupational license issued by DMV will be Live Scan fingerprinted. It also applies to first time applicants for an ambulance driver certificate.

Why "Live Scan" fingerprinting?

As a result of legislation in late 1997, Department of Justice has developed an automated background check process that requires digitized fingerprints ("Live Scan"). Beginning January 1, 2000, DOJ has asked that fingerprints be submitted by Live Scan rather than hard copy fingerprint cards. Digitizing the fingerprints enables the electronic transfer of the fingerprint image data along with personal descriptor information to computers at the DOJ in a matter of seconds, instead of the days required to send hard copy fingerprint cards through the mail. DOJ's goal is to process 95% of the digitized fingerprints within 3 days.

What is the cost to be Live Scan fingerprinted?

The cost to electronically fingerprint the applicant is determined by the local Live Scan agency. According to DOJ, they can charge a fee sufficient to recover their costs. The \$32 DOJ criminal record check fee is collected at the Live Scan site.

What will the applicant need to do to be Live Scan fingerprinted?

The applicant may call the local police or sheriff's department to find their local Live Scan sites that are open to the general public. The applicant can also call the department's Occupational Licensing offices in Sacramento (916) 229-3126 and be mailed the department's Live Scan request form. A sample of the department's Live Scan form is attached.
